ArdaghGlassPackaging 

Our glass food containers are made in the USA

Meeting your needs with flexibility

From bottle and jar options to flexibility in ordering, Ardagh Glass Packaging will work with you to accommodate the unique glass packaging needs of your company no matter how complex, big or small. Our team will collaborate with you to adjust to changing glass volumes, address your needs as they arise and make ordering easy.

Our broad capabilities, diverse bottle selection and superior service can make a difference for you as you grow your brand and your business.

Extensive range of bottles

Ardagh offers a wide selection of premium glass containers in a variety of colors, sizes, styles and finishes to help your brand stand out in the perfect package.

Vision4GlassSM design services

Our experienced team has designed a collection of stock containers that give you choices to showcase your product and run successfully on your bottling lines.

Progressive manufacturing

Through our New Product Development collaborations and our Development Machine for limited-edition or new products, we offer more options and flexibility than ever before, allowing you to bring your product to market with speed and ease.

A focus on quality

Ardagh knows glass packaging is an extension of a product. Glass represents quality not only through a visually appealing design, but also through a high-quality, safe package.

We meet the demand

Ardagh recognizes that availability of glass is essential, especially to those with food products that have a fresh-pack season. Customers rely on a consistent, continuous supply of glass. Since demand can be unpredictable, we help with forecasting and planning backed by a reliable supply and an adequate capacity to allow for production adjustments.
