Enjoy the benefits of a local glass partner

As a leading, nationwide producer of glass wine bottles made 100% in the USA, Ardagh Glass Packaging has the resources to meet your unique needs with flexibility, responsiveness and ease.

We manage every stage of our full-service process from bottle design through bottling day, giving you more options with production, timing and quantity.

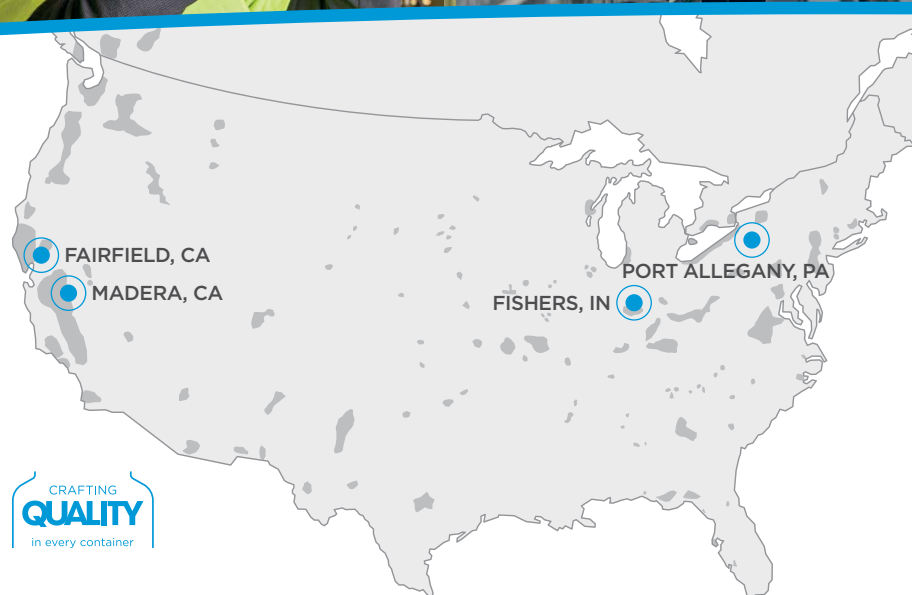

Collaboration every step of the way

With manufacturing facilities and sales teams serving you from the heart of the major North American wine regions, we're right where you need us. Our U.S.-based operation keeps us in close contact with our customers and allows us to offer a high level of service — to help you run efficiently and sustainably. You'll experience responsive service, increased flexibility, quick turnarounds, design and technical collaboration, and inventory to meet your changing needs.

Buy your glass with confidence

You can feel confident knowing your high-quality bottles are coming from one of our wine-focused, state-of-the-art plants right here in the U.S., drawing on more than 125 years of manufacturing experience.

Working together to meet your needs

From bottle options to flexibility in ordering, we'll work with you to accommodate the unique needs of your winery. Our team will collaborate with you to adjust to changing glass volumes, address your needs as they arise and make ordering easy. Our experienced sales, design and technical service teams are here when you need us. Let us show you how our bottle selection and superior service can make a difference for you and your business.

Extensive range of bottles

Ardagh offers a wide selection of premium wine bottles in a variety of colors, sizes and styles to help your brand stand out in the perfect package. With Antique Green, Dead Leaf Green, Champagne Green, Mist Green and Flint color campaigns, and a large range of bottle weights and finishes, we're able to offer tremendous choice to our customers.

Flexible manufacturing

With our Development Machine for limited-edition or new products, our collection of ECO Series® bottles and our expanding bulk capabilities in the East, we offer more options and flexibility than ever before.
